As per Inspector Harper please forward the information to SIS for further research

The report was sent to us "TRF from OPP ALBERTA" possible troll account for ABM on Facebook.

Facebook: male indicates that he lives in Toronto not Alberta, and also works in Toronto

1. In a post he mentions going to Ottawa to find his sister-there are no pictures or reference to a sister on his account. In a video, and in pictures he appears to be an older man but on his Facebook is linked to hobbies that would normally indicate a youthful active person.

"My Sister is in Ottawa she is to call me every night she has not called me and I cannot get a hold of her I don't care if you promise to the queen of England I'm coming to get my sister a lot of people don't know who I am but they are gonna learn real quick [REDACTED]"

"I told My sister called me every night this is not happening tonight I'm not phoning any jails I'm not calling any police we have four factories kicking out 500 AK-47s a week we have 5 million rounds if I don't hear from her tomorrow morning at 9 AM we're gonna take over Ottawa and every fucking politician [REDACTED]"

Interspersed with the veiled threats that mention firearms are various pictures mainly of food related to his occupation.

Twitter: contains the same sort of inconsistencies in what is posted. <https://twitter.com/soupoftoday11>

Tiktok didn't provide information.

The overall feeling on Facebook to those listed as friends of his is that his account has been "Trolled"
